4.	<p>Decrease number of minors living in facilities serving six or more.</p> <p>Report H</p>	<p>IRC has children in sub-acute facilities serving more than six children. Children develop best in loving inclusive homes in the absence of compelling circumstances requiring a different placement. Southern California has the only sub-acute facilities for children. Accordingly, many of the children needing sub-acute care are transferred from their home regional centers throughout California to a sub-acute facility in Inland Regional Center’s Southern California catchment area and thereby become IRC consumers.</p>	<p>12/31/09: 20 12/31/10: 22 (2 = 9% Increase) 10/31/11: 17 (5 = 3% Decrease)</p> <p>2012 Target: 2% Decrease</p>
