

One Community, One Journey

Servant Leadership Awards

Inland Regional Center is 40 years old! The anniversary theme, “One Community, One Journey,” is an acknowledgement of our partnership with consumers, families, staff, vendors and community members for a common goal...a purposeful movement toward enhanced quality of life for those individuals who we serve. We begin our celebration by seeking out and recognizing those individuals who embrace the challenge, then and now. We are seeking your nominations of an individual who reflect the spirit, dedication and creativity to move forward toward the Lanterman Act vision.

Please nominate individuals who represent – *Independence, Inclusion and Empowerment* – in the quest for typical lives. Nominees chosen to receive the Servant Leadership Award will be announced at future Board of Trustee meetings.
