SUCCESSFUL INDEPENDENT FACILITATOR!**

**Now welcoming service coordinator and regional  
center staff!**

Autism Society of Los Angeles has been the leader in providing Independent Facilitator certification training. We have taken our training experience and knowledge to create a comprehensive training curriculum that is focused on helping Independent Facilitators across California build skills to help them advance their careers.

If you are a certified independent facilitator, service coordinator, or regional center staff and are interested in joining the ASLA Independent Facilitator Mentor Training program, please register today!

This is a 12-month training program. There will be 12 monthly training segments with additional Q & A meetings. We will be hosting zoom segments with the service coordinators and regional staff where you can ask questions provide feedback and collaborate on how independent facilitators can best support participants transition to the self-determination program. Upon completion of all training segments, attendees will receive a training certificate.
