

Inland Empire Business Roundtable

EmployABILITY Business Grant: Grow your business and upgrade your hiring

August 16, 2023, from 11 a.m. to 1 p.m. PT

The goal of the new Inland Empire Business Advisory Roundtable – a partnership of the State Council on Developmental Disabilities San Bernardino Regional Office, Inland Regional Center, and the Department of Rehabilitation – is to promote the hiring of neurodivergent employees into workplaces that recognize the strengths of fostering a diverse and inclusive work culture. The Roundtable is a community of employers working together to create understanding, awareness, and support systems so neurodivergent employees can grow and achieve their full potential.

The first meeting of the Roundtable will feature Megan Davis, Grant Manager for the California Department of Rehabilitation’s Demand Side Employment Initiative (DSEI). Davis will share information about the EmployABILITY Business Grant, which provides small- and medium-sized businesses with grants of \$20,000-\$200,000 to grow their business while offering long-term employment opportunities for individuals with disabilities. Experts on the employment of individuals with disabilities will be joining the Roundtable for an interactive discussion on available support systems in fostering a diverse and inclusive work culture.

Please join us on August 16, 2023, for this educational opportunity. For more information on the EmployABILITY Business Grant, visit www.EmployABILITYCA.com.
