

PROFESSIONAL DEVELOPMENT FOR EARLY POINT OF CONTACT SCHOOL PERSONNEL

EARLY IDENTIFICATION AND RESOURCE AWARENESS

The professional development training is organized by **Inland Regional Center** and provided by **Nasaba Family Counseling, Inc.** to school personnel in **Riverside and San Bernardino Counties**. It aims to eliminate barriers to accessing services and increase school staff knowledge of the importance of early identification and referral.

BENEFITS OF THE TRAINING

- Gain the skills needed to effectively bridge the BIPOC population with IRC using a non-threatening and cultural humility approach.
- Learn about best practices, evidence-based strategies, and tools for early identification and early intervention.
