Re: New Residential Service Provider Orientation (NRSPO) Application

---

Thank you for your interest in becoming a new residential service provider. Currently we are working on a new platform for hosting the orientation.

As we prepare for the changes coming to NRSPO, we have scheduled **an in-person training for October 10, 2024, from 9am to 2pm.**

**Due to the number of approved applicants from the Spring orientation, those individuals will receive first priority for this orientation. This will limit the number of available seats once the application is available. Individuals will be accepted on a first come first served basis, with the required credentials/documentation.**

**The application will be available Monday 9/9/24 at 8:30am through Friday 9/13/24 at 4pm.**

**Applications will only be accepted through the following link:**

[\[Inland Regional Center\] New Residential Service Provider Orientation Application \(seamlessdocs.com\)](https://seamlessdocs.com)

Helpful tip: the application limits the number of documents that can be uploaded to ten, it is recommended that documents be scanned into one pdf and saved prior to uploading. Please refer to the NRSPO Qualifications for documentation that is required: [NRSPO-Qualifications-1.pdf \(inlandrc.org\)](https://inlandrc.org)

If you have any questions regarding NRSPO please contact RDTU at 909-890-3000 and ask for the RDTU duty officer or email us at [Resource@inlandrc.org](mailto:Resource@inlandrc.org).

Thank You!
